## EDUCATION

**DevMountain** ~ September 2019 - December 2019

- **Full-Stack Web Development**

**STACK'D** (December 2019) ~ <http://142.93.12.13:5000/#/>

A web application, similar to Stack Overflow, built for DevMountain to implement into their curriculum as a teaching tool. Students can ask questions and receive answers from fellow classmates, mentors, instructors or even alumni. Must have a DevMountain access code to create an account on the site. NO MOBILE VIEW!

- Group Project (4 members)
- React.js, Node.js, CSS, HTML, SQL, Firebase, GreenSock, React Quill, React Markdown, Nodemailer
- Completed MVP, given 13 days

**BMDb** (November 2019) ~ <http://159.89.144.149:5000>

A movie database project that allows users to search for movies, TV shows and actors. Other features include using Fandango to find movie times near the user and adding favorite movies/TV shows to their watchlist so they can keep track of what they have watched.

- Won best overall presentation
- React.js, Node.js, SASS, HTML, PostgreSQL
- Personal Project @ DevMountain
- Completed MVP within 8 days, given 13 days

**BUT Head** (October 2019) ~ not hosted

A no database project that allows users to create FIFA cards to sculpt an Ultimate Team. This was my first project and an idea that interested me.

- React.js, Node.js, CSS, HTML
- Completed within 5 days, given 5 days

**North Central Texas College** ~ August 2018 - January 2019

- Studied **Mathematics**

**Blinn College** ~ August 2017 - June 2018

- Studied basics for **Mechanical Engineering**

## WORK EXPERIENCE

**Pizza Hut** ~ January 2019 - August 2019

- **Delivery Driver**

Proficient use of the LMS (Learning Management System) when taking customer orders. Main driver for the store and opened weekday mornings, only trusted employees were allowed to open

**Lewisville ISD** ~ August 2016 - April 2017

- **Student Aide**

An after school program for elementary aged children. Duties included structuring study hours and playtime, organizing activities, and troubleshooting computer issues for the campus leader.
